

Feel great about wearing CooperVision's net plastic neutral[†] contact lenses.*

Did you know we prescribe net plastic neutral[†] contact lenses so you can correct your vision responsibly? That means that for every box of contact lenses you buy, CooperVision[®] partners with Plastic Bank[®] to collect and convert an equal amount[†] of plastic through their global network, to help reduce ocean-bound plastic.

Schedule your appointment today to try a net plastic neutral[†] contact lens and learn more about CooperVision's sustainability efforts.

CooperVision[®]

Indications and Important Safety Information. Rx only. Results may vary.

ATTENTION: Reference the Patient Information Booklet for a complete listing of Indications and Important Safety Information. Indications: MiSight[®] 1 day (omafilcon A) soft (hydrophilic) contact lenses for daily wear are indicated for the correction of myopic ametropia and for slowing the progression of myopia in children with non-diseased eyes, who at the initiation of treatment are 8-12 years of age and have a refraction of -0.75 to -4.00 diopters (spherical equivalent) with ≤ 0.75 diopters of astigmatism. The lens is to be discarded after each removal. Warnings: Problems with contact lenses could result in serious injury to the eye. Do not expose contact lenses to water while wearing them. Under certain circumstances MiSight[®] lenses optical design can cause reduced image contrast/ghosting/halo/glare in some patients that may cause difficulties with certain visually-demanding tasks. Precautions: Daily wear single use only. Patient should always dispose when lenses are removed. No overnight wear. Patients should exercise extra care if performing potentially hazardous activities. Adverse events: Including but not limited to infection/inflammation/ulceration/abrasion of the cornea, other parts of the eye or eyelids. Some of these adverse reactions can cause permanent or temporary loss of vision. If you notice any of the stated in your child, immediately have your child remove the lenses and contact your eye care professional.

*clariti 1 day, MyDay daily disposable, MiSight 1 day and Biofinity is defined as orders and includes clariti 1 day sphere, clariti 1 day toric, clariti 1 day multifocal, MyDay daily disposable, MyDay daily disposable toric, MyDay daily disposable multifocal, MyDay Energys, MiSight 1 day, Biofinity sphere, Biofinity Energys, Biofinity toric, Biofinity multifocal, Biofinity XR, Biofinity XR Toric and Biofinity toric multifocal product(s) sold and distributed by CooperVision in the US.

[†] Amount is defined as weight. Net plastic neutrality is established by purchasing credits from Plastic Bank. A credit represents the collection and conversion of one kilogram of plastic that may reach or be destined for waterways. CooperVision purchases credits equal to the weight of plastic in clariti 1 day, MyDay daily disposable, MiSight 1 day and Biofinity orders in a specified time period. clariti 1 day, MyDay daily disposable, MiSight 1 day and Biofinity plastic is determined by the weight of plastic in the blister, the lens, and the secondary package, including laminates, adhesives, and auxiliary inputs (e.g. ink).
